## **BEACH AND SWIMMING POOL**

The village is 150 meters from the sea, reachable along a pleasant internal path that leads directly to a sunny sandy beach, overlooked by a luxuriant pine forest. You can spend days dedicated to relaxation, including bathing in crystal clear water, long relaxing walks and sunbathing. Sunbeds and umbrellas available to customers (subject to availability). Adjacent to the beach of the village there is a succession of large and small coves of fine sand, alternating with granite and basaltic rock cliffs, which create an enchanting landscape, between the blue of the sky and the sea. The village also has two swimming pools, one dedicated to adults and one for the little ones with umbrellas and sunbeds (subject to availability). In both cases, free use of beach towels is available to guests (on deposit with a midweek change). Further changes on request for a fee.

## **RESTAURANT AND BAR**

There are many services in the All-Inclusive formula, which accompany guests throughout the day. Full board buffet is served in the village's air-conditioned restaurant. Furthermore, to celebrate local flavors and traditions in the best possible way, the kitchen offers once a week a dinner with typical Sardinian specialties, as well as a farewell dinner, both preceded by an aperitif. Sweet and savory snacks are served daily, mid-morning and mid-afternoon, at the pool bar where it is also possible to have breakfast after 10.00.

In addition to the welcome cocktail upon arrival accompanied by sweet and savory snacks, the village offers drinks at meals from dispensers (still and sparkling mineral water, white and red house wine, beer and a selection of soft drinks) and unlimited consumption of soft drinks at the bar of the dispenser pools (still and sparkling mineral water, juices, iced tea, espresso coffee). All bottled and canned drinks, various coffee shops, spirits, spirits and packaged products are also available for a fee.
