TOUR OF THE DAY 29th October

Fátima Half-Day Tour – Group Tour

DESCRIPTION

This is a very special private tour for Catholics and Pilgrims, to visit the major highlights of Fatima Sanctuary. The Fátima Shrine is without a doubt the most famous Marian sanctuary in the world dedicated to the Blessed Virgin. In the “holy city”, we recommend a visit to the Chapel of the Apparitions, where you can see the Crown of Our Lady of Fátima with one of the bullets that struck Pope John Paul II in the 1981 attack, and the Basilica of Fátima.

Learn the history of the Apparitions of the Virgin Mary of Fatima to the three little shepherds Lucia, Francisco, and Jacinta, in 1917, and to see the tombs of the three cousins.

Don't miss the Church of the Holy Trinity, which is more modern in its construction.

While visiting Fátima experience the devotion atmosphere that evolves all the complex and if you have time, take part in religious activities or attend mass.

Sintra, Cabo da Roca and Estoril Full Day - Private Tour

DESCRIPTION

Come and discover the Romantic Architecture and enchanted village of Sintra on a private and comfortable full day tour. Don't miss the beautiful panoramic views from Cabo da Roca and Cascais. In Sintra, there is much to see, iconic monuments, palaces from fairy tales, and magic trails. Our recommendation is to visit the National Pena Palace and Park, a Romantic-style palace with vibrant colors in contrast to the mountain. Another possibility is a visit to the National Palace of Sintra, the only monarch's palace that has survived almost intact to this day. After visiting the chosen palace or monument, you will have free time in the village of Sintra to explore one of the narrow streets of the historic center. From Sintra, travel along the Colares road, a beautiful trail surrounded by nature, to Cabo da Roca, the westernmost point of Europe. Take a panoramic tour along the coast to Cascais, passing by Guincho beach - famous for surfing - and Boca do Inferno (Hell's Mouth), a unique rock formation.
