DAY 5: Full Day Furnas Volcanos & Traditions – Group Journey

Today's journey begins with the beautiful seaside town of Vila Franca do Campo, the island's governmental town in the XV century. While in Vila Franca do Campo, you may wish to try the famous Queijadas da Vila, a traditional pastry developed by nuns during the XVI century, before making your way to Furnas.

Upon arrival at Furnas, you will be astonished by the contrast of the peacefulness scenario with the hectic pulsing of the volcanic fumaroles.

You will then head to a local restaurant where you will enjoy a traditional Cozido das Furnas (a meal cooked in sealed pots using the island's hot springs known as fumarolas) and have the chance to indulge in the famous cozido.

The day will end with a visit to the Gorreana Tea Factory, where you will learn about the island's tea industry and the tea production, still operated by 19th century machinery. Enjoy a tasting of the famous green and black tea while admiring the lush plantations and dramatic coastlines.

DAY 6: Half Day Lagoa do Fogo Wonders – Group Journey

Start your day with an unforgettable half-day tour to Lagoa do Fogo, one of São Miguel's most awe-inspiring natural wonders. Your journey begins in the picturesque town of Ribeira Grande, where you'll stroll through charming streets adorned with traditional Azorean architecture. A visit to a local liquor factory offers a delicious introduction to the island's unique flavors, with the opportunity to sample aromatic fruit liqueurs crafted from São Miguel's fertile lands.

From Ribeira Grande, the road winds upwards into the heart of São Miguel's volcanic landscape. As you ascend toward Lagoa do Fogo, the island's rugged beauty begins to unfold. Nestled within the extinct caldera of an ancient volcano, the lake's crystal-clear waters shimmer in shades of emerald and turquoise, framed by lush greenery and jagged volcanic cliffs.

Standing at the summit, you'll be struck by the raw, untamed beauty of Lagoa do Fogo, which feels like a world untouched by time. The panoramic views from the top offer a breathtaking spectacle—on a clear day, you can gaze upon both the North and South coasts of the island, with the shimmering Atlantic stretching out on either side and the city of Ponta Delgada visible in the distance.
